OFFICE OF LEGISLATIVE COUNSEL

Thursday - 19 July 1962

2. [redacted] Security, called to say that Mr. Kimball Johnson, Civil Service Commission, had been in touch with Security with regard to an inquiry from Senator John A. Carroll (D., Colo.) concerning a Commo ad which appeared in a Colorado newspaper. Apparently, a local attorney acting for a possible applicant has been in touch with Senator Carroll concerning the ad. Since the young man is interested in obtaining a waiver of the requirements described in the ad, Johnson asked if we would be in touch with Senator Carroll's office on this. I agreed to do this.

3. [redacted] Checked again with William Darden, Senate Armed Services Committee staff, concerning possible dates for our briefing of the Committee next week. Darden said he talked with the Chairman on Monday. The Chairman indicated he was not in a position at that time to set a date for the briefing since he was very much involved with the negotiations between the House and Senate Appropriations Committees. However, Darden said since this problem has been solved for the moment, he expects the Chairman to focus on this today or tomorrow. Darden will let us know as soon as he has some word.
